

Third International Conference of Cloud Computing

Technologies and Applications – CloudTech'17

October 24-26, 2017, Rabat, Morocco

Call for Papers

After the success of the previous editions “CloudTech'15 and CloudTech'16”, we are very glad to announce the “Third International Conference of Cloud Computing Technologies and Applications - CloudTech'17”, that will be organized by National College of IT (ENSIAS, Mohamed V University) in partnership with the Moroccan Association of Cloud Computing and the University of Mons (Belguim) during **October 24-26, 2017 in Rabat, Morocco**.

CloudTech is the first conference on Cloud Computing worldwide, attracting researchers, developers, users, students and practitioners from the fields of big data, systems architecture, services research, virtualization, security and privacy, high performance computing with an emphasis on how to build cloud computing platforms with real impact.

We invite the submission of original work that is related to the topics below.

Topics are organized into eight tracks as follow:

Track1: Cloud Architectures and Virtualization

Track 2: Cloud Services and Applications

Track 3: IoT and Mobile on Cloud

Track 4: Big Data and applications

Track5: High Performance Computing (HPC) in/with the Cloud

Track6: Cloud Security and Privacy

Track7: Cloud Energy Efficiency

Track8: Distributed Cloud / Cloud Brokering / Edge Computing

CloudTech'17 Submissions:

Authors are invited to submit original and unpublished research papers. Submitted manuscripts will be limited to 8 (IEEE Proceedings style) pages and required to be formatted using the IEEE Proceedings template. Please use easychair online submission system at <https://easychair.org/conferences/?conf=cloudtech17>. All submitted papers will be peer reviewed. Accepted and presented papers will be included in the conference proceedings and will be indexed by SCOPUS and submitted for inclusion to IEEE Xplore Digital Library. Distinguished papers from CloudTech'17 will be invited to submit a revised and extended version to indexed International Journals as:

High Performance Computing and Networking (Published by Inder Science and Indexed by: Scopus (Elsevier), DBLP, ACM Digital Library, ...)

Computational Science and Engineering (Published by Inder Science and Indexed by: Scopus (Elsevier), DBLP, ACM Digital Library, ...)

International Journal of Cloud Computing (cnpLINKer (CNPIEC), DBLP Computer Science Bibliography and Inspec (Institution of Engineering and Technology),...)

International Journal of Big Data Intelligence (JBIDI- INDERSCIENCE Indexed)

Submission deadlines:

Full Paper Submission : April 30, 2017

Decision Notification (Electronic) : June 30, 2017

Camera-Ready Copy and Pre-registration : July 30, 2017
